DIGITAL MARKETING & GROWTH STRATEGY

Master the Digital Growth Game

India's most industry-immersive digital marketing program that gets you from content to conversions.

This 12-week Digital Marketing program takes you from the fundamentals of the digital revolution all the way through to full campaign execution — covering SEO, paid media, social media, content strategy, AI-powered personalization, and marketing analytics. Built for professionals, students, and entrepreneurs, every week connects strategy to a practical skill you can apply immediately, closing with a capstone project where you design, pitch, and measure a complete digital campaign from scratch.

ABOUT ADYAPAN SCHOOLS

Where education meets real-world impact

Not just a course — a platform to launch
your career.

Adyapan Schools was built with a single conviction:
learning works best when it happens in the real world.
We partner with top companies, mentors, and industry
platforms to ensure every student graduates with a
portfolio of work that speaks louder than a certificate.

Our programs combine rigorous coursework with live
client projects, giving you the skills and proof-of-work
that employers actually want.

MISSION

To equip ambitious learners with
practitioner-level digital
marketing skills through mentor-
led, project-based education that
bridges the gap between learning
and earning.

VISION

To be India's most trusted
launchpad for the next generation
of marketing leaders — defined
not by degrees but by the real
work.

Everything you need to grow fast

PROGRAM HIGHLIGHTS

Live Industry Projects

Work on campaigns for real brands alongside your coursework. Build portfolio projects that prove your expertise to employers.

1-on-1 Mentorship

Dedicated mentors from Google, Microsoft, Mastercard and more. Get personalized guidance and industry connections.

AI-Powered Marketing

Learn cutting-edge AI tools alongside evergreen fundamentals. Stay ahead of the curve in a rapidly evolving landscape.

Dual Certification

Earn both a Course Completion and Internship Certificate – accredited by Skill India Digital Hub and NSDC.

Internship Guarantee

Graduate with an internship completion certificate from a live brand project. Concrete, resume-ready proof of work.

Industry Network

Join a network of alumni at Amazon, Google, Adobe, Microsoft. Access exclusive hiring events and referral opportunities.

CURRICULUM

8 weeks. 8 modules. Infinite impact.

WEEK 1

The Digital Marketing Revolution

- Discussion of Curriculum
- Understand the key differences between analog and digital and what they mean for how marketing works today
- Explore the four ways the digital revolution is transforming traditional analog businesses and consumer behavior
- Study real-world examples of companies successfully marketing analog products in an increasingly digital world
- Develop critical thinking skills to evaluate when digital strategies add value and when analog approaches still win

WEEK 2

Foundations of Marketing in a Digital World

- Understand the core principles of marketing and how the digital revolution is shifting each one
- Explore how digital tools are changing product, price, place, and promotion decisions for modern brands
- Examine the shift from one-way broadcast marketing to two-way, always-on consumer engagement
- Study real-world examples of how firms are applying digital tools to enhance their marketing activities

WEEK 3

Digital Media: Paid, Owned & Earned

- Understand the three media types - paid, owned, and earned - and how each plays a different role in a campaign
- Learn how online advertising works: display, search, programmatic, and social ad formats and their objectives
- Explore shared and earned media and how organic reach, word of mouth, and PR amplify paid investment
- Build a basic media mix framework that aligns budget allocation with campaign goals

8 weeks. 8 modules. Infinite impact.

WEEK 4

Content Marketing & Discoverability

- Learn how to design content that is discoverable by algorithms and genuinely valuable to human audiences
- Understand SEO fundamentals: keyword research, on-page optimization, and how search engines rank content
- Explore content formats — blogs, video, infographics, newsletters, podcasts — and match each to audience behavior
- Build a content calendar framework that supports consistent publishing across owned channels

WEEK 5

Social Media Marketing & Community Building

- Understand how each major social platform works as a marketing channel
- Analyze the role of influencers, creators, and brand communities in building authenticity and consumer trust
- Learn how social media algorithms determine reach and what content signals drive distribution
- Design a platform-specific social media strategy with clear objectives, content types, and posting cadence

WEEK 6

Customer Engagement, Loyalty & Personalization

- Understand how digital technologies and consumer behavior jointly shape modern engagement strategy
- Explore loyalty program mechanics and how brands use data to move customers from trial to advocacy
- Learn how AI-powered personalization delivers individualized experiences at scale across touchpoints
- Examine how MarTech stacks- CRM, marketing automation, CDP- enable data-driven engagement

CURRICULUM

8 weeks. 8 modules. Infinite impact.

WEEK 7

Paid Advertising (PPC)

- Understand how artificial intelligence is transforming customer service, product recommendations, and content creation
- Explore generative AI tools and their practical applications in copywriting, image creation, and campaign ideation
- Examine how recommendation systems personalize content and how brands balance accuracy with user trust
- Evaluate the ethical considerations of AI in marketing: bias, transparency, data privacy, and consumer consent

WEEK 8

Data, Analytics & Marketing Measurement

- Understand the Plan, Collect, Analyze, Report framework and how it structures data-driven campaign management
- Learn to identify and track the right KPIs for each channel: impressions, CTR, conversion rate, CAC, and ROI
- Explore web analytics fundamentals: how to read traffic data, user behavior flows, and attribution models
- Understand data integrity and governance frameworks that ensure measurement reliability across complex environments

WEEK 9

Emerging Platforms, Blockchain & Visual Data

- Explore how blockchain technology enables transparency, authenticity verification, and secure value exchange in marketing
- Learn to analyze visual and multimodal data to detect cultural, behavioral, and design trends across platforms
- Understand how emerging channels - connected TV, podcasts, gaming, AR/VR - are expanding the media landscape
- Evaluate data ethics frameworks and understand how brands build consumer trust through responsible data use

CURRICULUM

8 weeks. 8 modules. Infinite impact.

WEEK 10

Integrated Digital Marketing Communications

- Develop a full overview of the digital marketing communication landscape and how channels interact
- Learn to map marketing goals to appropriate digital strategies and media channels using a structured framework
- Understand customer journey mapping and how to align messaging to each stage from awareness to purchase
- Build an integrated marketing communications plan that coordinates paid, owned, and earned media together

WEEK 11

Digital Campaign Execution: SEO, SEM, Email & Social

- Execute an SEO strategy: technical optimization, link building, and content strategy working together
- Set up and manage paid search campaigns: keyword bidding, ad copy, quality score, and campaign structure
- Design an email marketing campaign: segmentation, subject line testing, automation workflows, and deliverability
- Launch and optimize social media campaigns with A/B testing, audience targeting, and performance tracking

WEEK 12

Capstone: End-to-End Digital Marketing Campaign

- Analyze a real or simulated client brief and establish the foundation for a complete digital campaign
- Map the Consumer Decision Journey and identify the key touchpoints where marketing can influence behavior
- Build a full campaign plan: objectives, target audience, channel mix, content strategy, budget allocation, and KPIs
- Present the completed campaign with a performance measurement framework and ROI justification
